

CM033-B | Universal Cup Holder Pedestal

Package Contents:

(1) CM033-B 5" Cup Holder Pedestal Mount

No Tools Required for installation.

Note: mount may not work with adjustable, "pop out" cup holders or oversize cup holder openings found in full-size pickup trucks.

 Do not install this pedestal in an airbag deployment zone.

Installation Instructions

Cup Holder Mounting

Step 1. Connect the post (A) to the cup holder base (B) by aligning the groove on the base to the ridge inside the bottom of the post.

Step 2. Place the Universal Cup Holder Mount into the designated cup holder in the vehicle. Adjust the thumbwheel adjuster (C) to open or close the cup holder prongs to fit in the cup holder.

Step 3. For oversize cup holder openings or the adjustable "pop out" cup holders use the optional self-adhesive side support pads (G). Install the pads by removing the adhesive backing and placing it on the flat surface side of the cup holder support leg.

Step 4. Adjust the tightening nut (D) to the desired angle of the cradle.

Step 5. Install the cradle or device to the post by inserting the T-tab (E) on the post into the T-slot (F) on the back of the cradle or device.

Safety Precautions

Do not reposition the pedestal while driving. Arkon Resources, Inc. does not promote the adjustment of hand-held devices except when the vehicle is safely parked or stopped.

Arkon is not responsible for any damages caused to your car, your device, or yourself due to the installation or use of the pedestal mount.
